### Downloading

Please refer to the following link on the Exclaimer website:

<http://www.exclaimer.com/signature-manager-exchange-edition/download>.

### Installing

Download the 'Signature Manager Exchange Edition 2.2.11' installation file 'setup.exe' and run on the Microsoft Exchange Hub Transport Server and/or Microsoft Exchange Mailbox server (Exchange 2013, 2016 & 2019). An MSI is available from support by contacting [support@exclaimer.com](mailto:support@exclaimer.com).

### Uninstalling

Uninstall can be achieved via the 'setup.exe' or MSI for the currently installed version of

'Signature Manager Exchange Edition' or via 'Programs and Features' in Windows Server in your operating systems.

The configuration files are located in **\ProgramData\Exclaimer Ltd\Mail Disclaimers** and these are not be removed as part of the uninstall process. The uninstall process will not lose any of your configuration or settings. However, as a backup precaution you may wish to export your configuration, as summarised below:

### Export Steps

1. Open the Exclaimer Console.
2. Select the 'Exclaimer' node.
3. Open the 'Action' menu.
4. Select 'Export Configuration...'
5. Select a location and filename for the export.
6. Press Save.

This will export all your settings including all your templates and licensing data.

### Upgrading

Upgrading can be achieved via the 'setup.exe' which will perform an in-place upgrade.

### Fixed Issues

- Memory spike when running Policy Tester
- When using List of Fields in a specific scenario the optional separator is incorrectly displayed
- An error dialog is shown when cancelling a selected "Other AD Field" in a conditional field
- Copy & Paste a List Of Fields containing a Field on Plain Text tab shows Field GUID
- No scroll available when adding more than 10 items to the header contains condition option
- Compatibility with error dialogs in Exchange 2019 and 2016
- Support for distribution lists with over 1000 users
- Remote Deployment feature compatibility when setting ManualConfig registry value to 1 for Sent Items Update service account
- Out of Office messages no longer added to Sent Items Update cache
